INTUSONIC

INTUSONIC 4VM100T 2-way Fullrange Column Array Speaker white
Column array (4 x 4") with wave guide for multimedia applications, 280 W

Art. No.: 12604184
GTIN: 5060502923516

List price: on demand €
incl. 19% VAT.

Description:

The INTUCAB 4VM100T column array is a real full-range speaker specifically designed for multimedia applications. It offers precise dispersion with tight vertical control to avoid unwanted reflections from ceilings and floors, but wide horizontal coverage. Custom-designed waveguide and phase plug parts allow this speaker to perfectly address the medium-throw requirements of seated audiences in class rooms, lecture rooms, chapels and board rooms. Mounting options include flying, vesa brackets, and flush wall mounting. Available in black and white structural paint finish.

Logistic

EAN / GTIN: 5060502923516
Weight: 10,50 kg
Length: 1.06 m
Width: 0.23 m
Heigth: 0.21 m

Features:

- Optimized for best possible speech reproduction
- For applications where multimedia capabilities, especially reproduction of music, the INTUSONIC 8SM300T is recommended as extension
- Advanced passive crossover for best sound quality
- With rigging points
- Scratchproof and shockproof
- White metal grille with acoustic foam
