Description:

Amazing disco atmosphere and brilliant colors - this set makes it possible!

This set in professional quality offers you a proven Eurolite classic at an unbeatable price. No matter if you use it to illuminate your living room, a clubhouse or a bar, this party set always guarantees the true disco feel!

The set includes a mirror ball with a diameter of 20 cm covered with countless little mirrors. Thanks to the supplied motor, type MD-1015, the ball slowly rotates on its own axis while reflecting colorful light beams to create the familiar disco effect. The necessary light is provided by an Eurolite T-36 pinspot which, of course, is also included in this set. To add some color, we also include a motorized color wheel mixing the colors red, yellow, green and blue. Alternatively, you can create a nice split effect by simply switching off the motor.

Features:

- Mirror ball safety rotary motor MD-1015
- 1 chain with quick links
- Color-wheel with motor for T-36
- color wheel**
- Color wheel with red, green, yellow, blue
- illuminant**
- Very high color rendering index (CRI)
- Package contents**
- 1 x mirror ball, 1 x spotlight, 1 x lamp clamping ring, 1 x illuminant, 1 x motor, 1 x motor for color wheel, 1 x chain, 1 x safety bond, 1 x color wheel, 3 x screw, 1 x user manual
